

HOT TUB RULES

In order for you to gain maximum use and enjoyment without anything ending in tears we advise following everything below -

DON'TS

No glass OR sharp objects and / or jewellery anywhere near the hot tub. (**PUNCTURES WILL RESULT IN A £179 BILL**)

No fake tan, the oils will clog the filter, the hot tub will then fail.

No smoking whilst in or near the hot tub.

No sitting on the walls of the tub at any time, this **WILL** cause the seams to split and leave you with a very expensive bill to pay.

No sitting in front of where the filter is.

No jumping or diving in the hot tub.

No electrical items in the hot tub under any circumstances.

DO'S

Make sure everyone using the hot tub showers before use.

Take care whilst in the hot tub.

Tell us of ANY issue so we can help.

Tell all your friends about us.

But most of all we want you to have lots of fun, relax, enjoy it and to keep smiling whilst staying safe.
